
Title: The Black Magics

Author: Tatinana&Ariel Joy

We shall start with a
small explanation.
These are true spells
only changed to fit
this realms powers.

We shall start with a
few spells that we
have used during our
tyme in this realm
and continue with
others that yet to have
been seen in this
realm. The spells are
combinations of real
world spells and
spells taken from the
realm and ones that
most will never find
in their lives for they
are true black magics.
The next pages to
follow are the spells
and what they do....
